HOW THE PROCESS WORKS

1. Price Appraisal

RV World provides a complimentary market appraisal to help set a realistic sale price, based on inspection or information you supply.

2. Sign the Consignment Agreement

A formal agreement is signed for a 3month consignment period.

- All Terms & Conditions outlined including breakdown of costs.

3. Inspection & Service

Before listing, your caravan must pass a presale inspection (safety, appliances, general condition).

- Any issues found are quoted by our service department.
- No repairs proceed without your approval.
- All inspection and service items must be completed and paid for before listing.

Please Note:

RV World will not consign any caravan that presents with water damage.

4. Marketing & Display

Your caravan is professionally presented and advertised across major online platforms and social media.

5. Offers & Sale

- All offers are communicated to you.
- Written approval is required before any sale is finalised.
- RV World manages the delivery to the new owner.

6. Payment

After delivery, sale proceeds are finalised and the remaining balance is paid to you.
